Dear Derek,

On behalf of the Parish of Pohangina / St Mary Magdalene we write to you to thank you and your staff at Brunton Engineering for the generous gift of your time, resources and expertise in the manufacture of our new sign.

The frame you manufactured has worked out perfectly contributing to a fabulous sign that will serve the Parish and Community for many years to come.

Last week the sign very effectively advertised our annual Free Community Hangi resulting in us serving 350 meals.

We enclose a laminated photo of the completed sign.

Yours sincerely,

Lyn O'Fee  
Warden
