

MD 390 AUTHORITY FOR NZ DEFENCE FORCE ACCESS & CONTRACTOR PASSES ISSUED FOR ACCESS TO DEFENCE SITES.

Sub-Contractor Defence Security Passes issued from Brunton Engineering are conditional on the following;

The individual listed to have access to a Defence Site is granted access only on the condition that the work being completed is for Brunton Engineering.

That all conditions of access to site at the request of Brunton Engineering comply with the Sub – Contractor agreement with Brunton Engineering and the most recent Safety Manual. All expectations for working on a Defence Site must be met.

A security pass issued for a specific project is required to be returned at the end of the project.

The pass remains valid while in Brunton Engineering possession for the term of the cards life.

For future projects the card may be re-issued for on-going use.

In the event of the card not being returned when requested or there is change in circumstances (e.g. termination of employment) Brunton Engineering will request NZDF to void the use of the card.

I agree with the above Terms and Conditions for use of my Brunton Engineering Issued Contractor Pass.
